Dear valued customer,

We herewith announce a price increase of up to 4-6 % for all products. The increase may vary depending on invoicing currency, current price and product.

We will apply the new prices for deliveries starting on 1 March 2021.

The reasons for the price increase are deteriorating prices and margins in 2020 and expected increases in raw material and transport costs.

We thank you, as our valued customer, for your continued business support.

With kind regards,
