DESCRIPTION

Grey machine carton for use in the food, non-food or industrial sector without special requirements. Optimal product protection for safe transport in the form of a sustainable packaging solution. Special features are a visually clean surface and pleasant odour neutrality. In addition, our JadeBoard®Nature is characterised by its punching and creasing ability.

USAGE

For intermediate layers, specific industrial packaging, simple folding boxes or envelopes.

The general recommendations for use apply subject to technical tests for the cardboard grade.

TECHNICAL DATA

- Grammage: 350 to 800 g/m²
- Surface: uncoated
- Glueings: unsized
- Colours: grey

CERTIFICATION

- Certified for direct contact with dry and non-greasy foods
