PRODUCT DESCRIPTION

Satino HiLine cleaning rolls are designed for demanding applications in industry, worksh.ops, large kitchens and production environments. The high-quality wiping paper offers maximum absorbency, high tear resistance and optimised low-dust characteristics – ideal for the fast and thorough absorption of water, oils, grease and dirt. Thanks to their robust, dimensionally stable structure and extra-long roll length, Satino HiLine cleaning rolls support efficient workflows and reduce the need for frequent roll changes. Satino HiLine represents the new generation of professional cleaning – powerful, reliable and economical.
